

53A-11-301 Certificate of immunization required.

- (1) Unless exempted for personal, medical, or religious objections as provided in Section 53A-11-302, a student may not attend a public, private, or parochial kindergarten, elementary, or secondary school through grade 12, nursery school, licensed day care center, child care facility, family care home, or headstart program in this state unless there is presented to the appropriate official of the school a certificate of immunization from a licensed physician or authorized representative of the state or local health department stating that the student has received immunization against communicable diseases as required by rules adopted under Section 53A-11-303.
- (2) School districts may not receive weighted pupil unit money for a student unless the student has obtained a certificate of immunization under this section or qualifies for conditional enrollment or an exemption from immunization under Section 53A-11-302.
